Digital marketing vs multimedia writing

What is Multimedia writing and storytelling?

Examples of multimedia content

How to be multimedia writer? Types of Multimedia writing What is target audiences? (Briefly)

What is the buyer journey?

Examples of Multimedia campaigns Tools Workshops

Digital marketing is the umbrella term, and multimedia writing is one strategy within that broader scope.

Digital Marketing >

This is the broader field that encompasses all marketing activities carried out using digital channels and platforms, such as SEO, email marketing, SMM, content marketing, PPC, influencer marketing, and more.

Digital Marketing >

DM includes any strategy that leverages digital technologies to reach and engage with customers, and multimedia writing is one strategy within that broader scope.

Multimedia writing is the process of creating written content for different types of media, like videos, websites, social media, or podcasts.

The focus is on adapting the writing to fit the format, making sure the message is clear and engaging for each platform.

What is Multimedia writing and storytelling?

Storytelling

Multimedia storytelling is the use of different media such as text, images, videos, and audio to tell a story.

A multimedia storyteller combines these elements to create a more interactive and engaging experience for the audience.

What is Buyer journey?

The Buyer's Journey

What is Buyer journey?

3 Stages Of Buyer's Journey

Stage Goal:

Engagement

Leads

Sales

The awareness stage

The buyer realizes they have a problem and aware that he has a need, he gathers data, information and tips to know more about it.

The consideration stage

The buyer defines his problems and seeks various solutions to solve them, he analyzes options to determine what the best is, and then he makes the decision in the next stage.

The decision stage

The buyer chooses the suitable solution for him.

“I am a buyer deciding on a specific product and vendor in my chosen solution strategy.”

Decision Stage

<i>Cost-effective</i>	<i>Quality control</i>	<i>Control</i>	<i>Cost</i>
<i>Increased engagement</i>			

BENEFITS OF STORYTELLING ON SOCIAL MEDIA

Organic Growth

Engagement

Loyalty & Trust

Conversions

WHAT IS HOOK?

A social media hook is **a way of getting into a post**. It could be the first few sentences of an Instagram caption, the introduction to a video, or a sticker in a story. The hook has a central task: to attract the attention of your target group and motivate them to engage with your content.

Exercise – Mini Campaign Project

Objective:

Create a small communication campaign for a chosen product or service.

Instructions (in groups of 3–4):

1. Choose a product/service (e.g., coffee shop, gym, local bakery, mobile app).
2. Define the goal, the target audience (age, pain points, needs, ..etc).
3. Choose one main campaign message (what do you want people to remember?).
4. How will you convince target audience to buy your product?
5. Propose 2–3 campaign ideas (e.g., a slogan, a social media post, a simple event idea).
